**“AMS was awesome from start to finish. The technicians were great, the office was helpful and my new Buderus boiler saved me at least \$1,000 dollars from last year.”**

**-Steve from Stow**

**“AMS is a company with great focus on customer service! The staff was professional and down to earth.”**

**-Henry from Marlborough**

**“AMS is the best, hands down. I use them with all the equipment in my home and I just love them.”**

**-Jim from Acton**

*\*\*\*Filters can be provided for an additional cost*

### ***Peace of Mind***

Periodic maintenance keeps your systems running at peak, trouble-free efficiency. Potential problems are spotted before they cause trouble, extending equipment life, lowering utility bills, and improving capacity and having fewer repairs.

### ***Experts at Your Service***

A competent, trained, dependable staff of experts looks after the “worries” about your equipment and its performance. We work with you to schedule your service calls when convenient.

### ***Preferred Treatment***

Periodic maintenance increases reliability but, if you should need emergency service, you have top priority twenty-four hours a day, seven days a week. You are provided emergency service before non-agreement holders.

### ***Price Protections***

Your agreement price cannot be raised before your pre-signed agreement has expired. Unless we notify you in writing at least 30 days before the anniversary date of any changes, we will renew this agreement at the same price and terms. We charge by the job, not by the hour, so you save money!

### ***Service You Can Trust***

Our skilled experts know their business. Rely on them and our reputation to give you fast, dependable service.
